### **REMINDER: BALLOT SELFIES ARE ILLEGAL IN COLORADO**

Denver District Attorney Mitch Morrissey is reminding voters that there is a state law prohibiting voters from showing their completed ballot to others. This would include posting your completed ballot on social media.

Colorado is one of many states that ban a ballot selfie. The law, found at §1-13-712 in the Colorado Revised Statutes, states that, “No voter shall show his ballot after it is prepared for voting to any person in such a way as to reveal its contents.” It is a misdemeanor violation.

The prohibition on sharing completed ballot results is an effort to guard against potential voter fraud.
