

BE AN ANGEL

Adopt an Elder for the Holidays

WE NEED YOUR HELP

We are a non-profit organization dedicated to improving the lives of the frail, low-income elderly population in metro Denver by providing essential and free first line health resources and social services.

Often our clients are isolated and lonely and have nobody who remembers them for the holidays.

There are several ways that you can help us make this holiday season special for someone.

Volunteer your time. Adopt a client by visiting them and bringing gifts. Your friends and loved ones can join you and together you can make the holiday special for someone.

Make a financial contribution towards the gifts.

Donate gifts.

Please call **Mary Ann May** at 303-595-6644 or email MaryannMay@centura.org, to find out how you can help to remember an often forgotten population.

Thank you for reaching out to those in need.
