

# Denver County Court

## Department of Probation Services

303 West Colfax Ave. Ste. 800  
Denver, CO 80204 720-913-8300

As a victim, or a member of the victim’s family, your rights are guaranteed by the Colorado Constitution. One of your rights under the Colorado Constitutional Amendment for Victim’s Rights is to be notified of the critical status changes in the defendant’s probation supervision. You may make your request by returning the attached form to the Probation Department or by calling the Victim Advocate.

If you would like to be notified of the critical stages in the defendant's probation please complete the bottom half of this form and return it to the Denver County Court Probation Department.

You may make your request by returning the attached form by mail, e-mail, or fax. Please remember if you move or change your phone number, **it is your responsibility to notify probation of any changes in your contact information.**
