

EEO Utilization Report

Organization Information

Name: Denver District Attorney's Office

City: Denver

State: CO

Zip: 80202

Type: County Attorney General or Prosecutor's Office

Step 1: Introductory Information

Policy Statement:

It is the policy of the Denver District Attorney's Office to assure equal employment opportunity to its employees and applicants for employment on the basis of merit without regard to race, color, religion, national origin, physical or mental disability, sexual orientation, gender, marital status, political affiliation, age, or any other basis protected by federal, state, or local law or ordinance or regulation. The Denver District Attorney's Office will continue to follow this policy in recruitment, hiring, testing, certification, promotion, classification, compensation, benefits, transfers, appointments, shifts, layoffs, and returns from layoffs, demotions, terminations, training, performance evaluation, leave and use of the District Attorney's facilities. It is not the intent of this policy to permit or require the lowering of bona fide job requirements or qualification standards to give preference to any employee or applicant for employment. However, the DA will take affirmative measures in accordance with federal, state, and local law, ordinance or regulation to recruit minorities, females, and persons with disabilities to all levels of District Attorney government.

Any employee of the Denver District Attorneys Office who fails to comply with this policy is subject to appropriate corrective actions.

As the District Attorney, I hereby direct that this policy be implemented in accordance with the District Attorney's Office Equal Employment Plan.

Step 4b: Narrative of Interpretation

Based on the Utilization Chart, the Denver District Attorney's Office (DDAO) closely aligns with the Colorado workforce for diverse populations in the Officials/Administrators and Professionals categories.

The data indicates that more equality may be appropriate for Hispanic males and females in the Sworn Officers category; as well as white males in the Professionals and Administrative Support categories.

It remains the goal of the DDAO to have representation of all ethnic groups by evaluating the recruitment and promotional practices to ensure these groups receive equal opportunity to secure employment. The following protocol for hiring should enable to DDAO to continue its efforts to diversify its workforce and meet its objectives on an ongoing basis.

Step 5: Objectives and Steps

1. Continue to recruit qualified males and females from all ethnic groups giving the entire population an equal opportunity to be informed of and apply for open positions.

a. To effectively recruit a diverse group of employees, the DDAO will continue to work closely with the City and County of Denver Career Service Authority (CSA), which provides logistical support to the DA's office by supplying a pool of qualified potential employees per the City of Denver EEOP Policy. This office will continue its present procedures that address the unique qualifications and positions in the DDAO. Therefore, the following recruitment procedures incorporate both the CSA and the DDAO efforts: Posting career opportunities at the DDAO and City websites; Cultivating prospective minority employees for summer internship programs; and developing contacts and a presence in minority and disability communities by working with established groups. This includes the DDAO Diversity Recruitment and Retention Committee, whose mission is to conduct outreach to underrepresented law students in order to build a pipeline of talent to serve their community as prosecutors in the DDAO.

2. Continue to annually gather information on and analyze hiring, promotion, and departure patterns. Based on the analysis, recommendations will be implemented that lead to a greater reflection of the Denver Community with respect to equal employment.

- a. Review and update annually the DDAO recruitment methods, practices and policies to promote equal employment opportunities through recruitment methods.
- b. Review regular recruitment and retention efforts and apply information derived from exit interviews towards efforts to improve retention.
- c. Continue to work with the City of Denver's comprehensive EEO training to supervisors and managers on EEO policies, documentation, interview processes and employment recruitment.
- d. Continue to foster the work of the Diversity Recruitment and Retention Committee to create a supportive and inclusive culture where new attorneys can thrive. The focus of outreach is to increase representation to reflect the community served, and all new attorneys are encouraged to participate in the inclusive, supportive policies that this committee oversees.
- e. Monitor recruitment policies and procedures to determine if recruitment efforts are enabling the DDAO to meet and maintain objectives

Step 6: Internal Dissemination

1. Post the EEOP on the DDAO intranet.
2. Include the EEOP Policy Statement in the DA Office Policy and Procedures book.
3. Discuss the EEOP at human resource and staffing meetings and periodically update the DDAO compliance with this plan. Discussions will include assisting the Human Resource managers in identifying and addressing problem areas with effective solutions.
4. Include the EEOP in supervisor trainings.

Step 7: External Dissemination

1. Annually inform recruiting resources of the EEOP and commitment of the office.
2. Post the EEOP on the Denver District Attorney's Office website.
