MOTHER SENTENCED IN CHILD'S DEATH

A woman accused of beating her 2-and-a-half year old daughter to death last year has been sentenced to prison today.

Tiffany Moreno (dob: 07-30-85) was sentenced to the maximum possible sentence of 32 years in the Department of Corrections.

Denver Deputy District Attorney Kerri Lombardi argued for the maximum sentence for Moreno at today's hearing, saying that nothing less would be appropriate for the brutal death of Zoey Espinoza in July 2005.

Moreno spoke to the court taking full responsibility for the death of her daughter just before being sentenced by Denver District Court Judge Martin Egelhoff.
