WOMAN SENTENCED IN CASE OF BABY INGESTING METH

A young mother who pleaded guilty earlier to *child abuse resulting in serious bodily injury* (F4) after her infant son ingested methamphetamine has been sentenced today.

Katrice Trujillo (dob: 02-05-81) was sentenced to 2 years in the Department of Corrections.

Trujillo was caring for her 3-month-old son when he ingested the drug in March of 2008.
