### **MOM CHARGED IN CASE OF BABY INGESTING METH**

Denver District Attorney Mitch Morrissey has formally charged a young mother with child abuse after her infant son ingested methamphetamine.

**Katrice Trujillo** (dob: 02-05-81) is charged with one count of *child abuse resulting in serious bodily injury* (F4).

The charges allege that Trujillo was caring for her 3-month-old son when he ingested the drug sometime on March 27<sup>th</sup> or 28<sup>th</sup>, 2008. Trujillo was arrested a few days later and remains in custody in the Denver County Jail. Her bond is set at \$50,000.

She is scheduled to appear in Denver County Court, room 12T, on April 9, 2008 at 9 a.m. to be formally advised of the charge.
