### **NO CHARGES IN DEATH OF JOGGER**

The review of a fatal auto-pedestrian crash that occurred on Sunday, April 8, 2012 has been completed. No charges will be filed in connection with the death of Michael Sanders, a man who struck and killed in the 6200 block of West Hampden Avenue while jogging. The investigation revealed that the driver had suffered a medical condition that led to the crash.

However, the driver is facing a traffic infraction charge as a result of a requirement that he only operate a motor vehicle equipped with an interlock device.

**Eduardo Duarte-Alegria** (dob: 05-21-69) has been served a criminal summons and complaint for evasion of an interlock device (T1).

The charge alleges that Duarte-Alegria was driving a vehicle that was not equipped with an interlock device.

He is scheduled to appear in Denver County Court on May 21, 2012, at 8:00 a.m. to be advised of the charge.
