SOCCER ORGANIZER CHARGED IN SECOND CASE

Denver District Attorney Mitch Morrissey has formally charged a soccer league organizer in a second case of sexual assault on a child.

Andres Fuerte Gaspar (dob: 07-08-64) is charged today in a new case with *kidnapping* (F2), two counts of *child enticement* (F4), two counts of *sexual assault on a child* (F4) and two counts of *sexual assault on a child by a person in a position of trust* (F3).

The charges allege that Gaspar met the 13-year-old victim through his soccer league and after hiring him to help clean soccer fields, took the victim to his apartment where the assaults are alleged to have occurred.

Gaspar was charged earlier in August with similar charges in a separate case and had been released on a \$50,000 bond. He has been arrested in connection with the new charges, and now remains in jail; his bond on the new case is \$100,000. He is scheduled to appear in Denver County Courtroom 2100 on September 22, 2014, at 9:30 a.m. to be formally advised of the new charges.
