### **MAN CHARGED IN CHILD ABUSE CASE**

Denver District Attorney Mitch Morrissey has formally charged a 34-year-old man who is accused of child abuse resulting in the death of his infant son, D'Anthony Herron.

**Michael Herron** (dob: 06-15-1980) is charged with *Child Abuse Resulting in Death* (F2).

Herron took his two-month-old son to Denver Health on July 21, 2014, where doctors determined that the injuries he suffered while under Herron's care were not the result of accidental trauma and were consistent with child abuse. The child died from his injuries two days later.

Herron remains in custody with bond set at \$50,000. He is scheduled to appear in Denver County Courtroom 2100 at 9:30 a.m. on July 30, 2014 for his second advisement on the charge.
