DENVER DA MITCH MORRISSEY JOINS PROSECUTORS ACROSS THE U.S. TO ANNOUNCE NEW COALITION TO CURB GUN VIOLENCE

*Prosecutors Against Gun Violence to Hold First-Ever National
Summit in October to Combat Gun Violence*

DENVER - In a groundbreaking effort to combat gun violence, Denver District Attorney Mitch Morrissey has joined 22 prosecutors representing major jurisdictions throughout the United States to announce the formation of PROSECUTORS AGAINST GUN VIOLENCE ([PAGV](#)), an independent, non-partisan coalition organized to identify and promote prosecutorial and policy solutions to the national public health and safety crisis of gun violence.

Morrissey will be among the presenters at the first-ever prosecutorial summit on gun violence prevention, which will be held in Atlanta on October 21st and 22nd. The summit will focus on best prosecutorial practices, gang violence reduction, illegal weapons trafficking, the nexus between domestic violence and gun violence, the link between mental health issues and gun violence, and other initiatives. PAGV will announce additional summit details shortly.

PAGV was formed and co-chaired by Los Angeles City Attorney Mike Feuer and Manhattan District Attorney Cyrus Vance. The growing coalition includes prosecutors from Atlanta, Boston, the Bronx, Brooklyn, Charlotte, Chicago, Denver, Detroit, Houston, Las Vegas, Los Angeles, Manhattan, Miami, Milwaukee, New Orleans, Philadelphia, Portland, Queens, San Antonio, San Francisco, Seattle and Staten Island.
