### **MAN SENTENCED IN 2012 SEXUAL ASSAULT**

A man who pleaded guilty earlier this year in connection with a 2012 sexual assault has been sentenced to prison.

**Gregory Carter** (dob: 04-07-68) pleaded guilty earlier to first-degree assault (F3) and attempted sexual assault (F5) and was sentenced yesterday in Denver District Court to 24 years in prison.

Carter attacked a 23-year-old woman in a Denver alley on July 23, 2012. DNA identified Carter as a suspect one year later, in July 2013 and an arrest warrant was issued. Carter remained at large until he was stopped for jaywalking by a Denver police officer in 2014 and was taken into custody on the outstanding warrant. He pleaded guilty in February and was sentenced yesterday.

Carter will serve the prison time in the Colorado Department of Corrections.
