### **MAN CHARGED WITH SEXUAL ASSAULT**

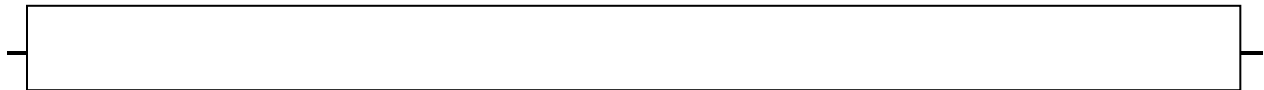

Denver District Attorney Mitch Morrissey has formally charged a man accused of sexually assaulting a woman last summer after giving her a ride in his pedicab.

**Jarrett Carter** (dob: 03-14-89) is charged with *sexual assault* (F4).

The charge alleges that on July 15, 2014, Carter, who was a pedicab driver, offered a ride to an intoxicated woman and later sexually assaulted her. A suspect was not identified at the time, but the results of DNA testing led to the identification of Carter as a suspect earlier this month.

Carter remains in custody; his bond is set at \$100,000. He was formally advised of the charge today and is scheduled to appear in Denver County Court for a preliminary hearing in courtroom 2100 on July 13, 2015, at 8:00 a.m.
