PARENTS GROWING MARIJUANA SENTENCED

A man and woman have been sentenced to supervised probation after their 3-year-old daughter tested positive for THC, and had to be treated at a hospital last year.

Mario Hollerway (dob: 10/11/81) pleaded guilty earlier to *possession of a controlled substance* (M1) and *child abuse* (M2). He appeared in Denver District Court today, and was sentenced to 2 years of supervised probation, 60 days in jail served as in-home detention, and 50 hours of community service.

Alysia Lombard (dob: 10-15-88) pleaded guilty earlier to *child abuse* (M2). She appeared in Denver County Court on May 20, 2015, and was sentenced to 18 months of supervised probation, and was ordered to take parenting classes and participate in a drug treatment program.

On November 13, 2014, the couple's 3-year-old daughter was diagnosed at a local hospital with marijuana ingestion. Further investigation revealed an illegal amount of marijuana and suspected crack cocaine in the family home.
