MAN CHARGED IN WOMAN'S MURDER

Denver District Attorney has formally charged a man accused in the murder of a woman whose body was found in an apartment in the 3400 block of Park Avenue last Sunday.

Jerimiah Halsey (dob: 04-01-80) is charged with one count of *first-degree murder* (F1).

The charge alleges that Halsey met the victim, 53-year-old Sheryl Thompson, and killed her following an altercation in her apartment. Halsey was arrested after he approached members of the Denver Fire Department and reported to them that he had hurt someone.

Halsey remains in custody and is being held without bond. He is expected to make his first appearance in Denver District Court sometime next week.
