MAN CHARGED WITH MURDER IN EAST DENVER SHOOTING

Denver District Attorney Beth McCann has formally charged a man in connection with last week's shooting death of another man in East Denver.

Corey Davis (dob: 03-03-1987) is charged with one count of *murder in the first degree* (F1).

The charge was filed Tuesday. Davis was arrested on November 8.

The charge alleges that on November 6, 2017, following a verbal exchange, Davis shot 42-year-old Christopher Moody in the chest as Mr. Moody sat in his car in the 2100 block of N. Olive Street. The victim managed to drive off after being shot but crashed about a block away into an unoccupied parked car, where Denver firefighters responding to a report of a car accident found him. Moody was transported to Denver Health Medical Center, but died of his gunshot wound.

Davis is scheduled to appear on November 17, 2017, at 8:00 a.m. in District courtroom 5C for advisement.
