

**AFFIDAVIT AND APPLICATION FOR ARREST WARRANT
AND THE ARREST WARRANT FOR THE PERSON(S) OF:**

**Brianna Casias, (04/24/2000), Hispanic female, 5'2", 125lbs, black hair, brown eyes
For: Aggravated Robbery (5 counts), 18-4-302, Class 3 Felony
Attempt (Aggravated Robbery) (1 count), 18-2-101, Class 4 Felony**

I, **Detective Jeffrey A. Hart #92055** the Affiant, state under oath that the facts known to the Affiant which establish probable cause to believe that a criminal offense was committed, and that the offense was committed by the above-named person(s), are the following:

On 03/22/2019, at approximately 16:35 hrs, Denver Police Department Officer Jones was dispatched to a bank robbery that had just occurred at the Vectra Bank located at 3600 N. Quebec Street, in Denver, Colorado. Upon arrival, Officer Jones made contact with the victim [REDACTED] who advised the following: The suspect, herein referred to as the "robber", described by [REDACTED] as being a possible Hispanic female, mid 20's, 5'2" to 5'4", slim build, waxed or manicured eyebrows and wearing a blond wig, entered the bank through the front doors and approached the teller counter. [REDACTED] was not assisting any bank customers, so he greeted the robber and asked how he could help. The robber approached his [REDACTED] and immediately slid a hand-written robbery/demand note under his window. [REDACTED] read the note and observed that it read "This is a robbery, please give me 100's, 50's and 20's. [REDACTED] observed that the suspect was also wearing white latex gloves. [REDACTED] gave the robber US Currency from his [REDACTED] drawer and observed that the robber placed the money in a purse she was carrying. [REDACTED] observed that prior to placing the money in her purse, that the robber appeared to be "going through" the money, as if she might be searching for possible hidden "GPS tracking devices". [REDACTED] observed that the robber dropped some of the money, quickly picked it up and exited the bank on foot. [REDACTED] also indicated that the robber must have taken the robbery note, as it was no longer present at his teller station. [REDACTED] advised that the robber never spoke during the robbery. Employee [REDACTED] was interviewed and advised that he had observed the robber as she fled from the bank southbound from the bank and that the robber had removed the blond wig and that the robber appeared to have short cut brown hair. [REDACTED] also observed a second suspect meet up with and run with the robber. [REDACTED] described the second suspect as being a male wearing a scarf around his neck, a red coat and jeans.

Members of the FBI/Safe Streets Task Force responded to the bank to conduct the initial scene investigation. Photographs of the robber from the video surveillance footage were emailed to SSTF members, to include your affiant. The robber was pictured as follows: Dark skinned Hispanic or light skinned black female, wearing a blond wig, glasses, black long-sleeved shirt, tan pants, black and white shoes, white latex glove(s) and carrying a white purse. External video from the outside of the bank indicated a possible second suspect, who stands guard near the bank and then runs the same direction as the robber flees and meets up with the robber. This second suspect was pictured as being a possible white or Hispanic male, brown hair, wearing a baseball cap, black and white striped scarf over

AFFIDAVIT AND APPLICATION FOR ARREST WARRANT

his face and neck, maroon long-sleeved shirt, tan pants and dark colored tennis shoes with stripes. The total loss to the bank was \$4,040.00 in US Currency. Below is a photograph of the unknown robber and unknown accomplice:

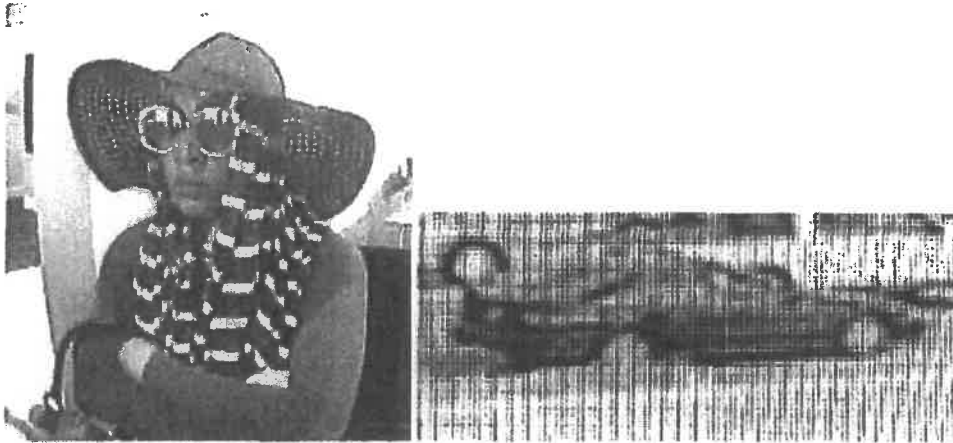

03/22/2019 Vectra Bank robber and unknown accomplice

On 04/01/2019, at approximately 16:29 hrs, Denver Police Department Officer Bergner was dispatched to a bank robbery that had just occurred at the Key Bank located at 6405 E. Hampden Ave, in Denver, Colorado. While enroute, Denver Police Dispatch advised that a "GPS tracking device" from the bank had activated, appeared to have left the bank and travelled from the bank westbound on Hampden Ave, but was stationary on Hampden over I-25. Upon arrival, Officer Bergner made contact with the victim [REDACTED] who advised the following: The suspect, herein referred to as the "robber", described by [REDACTED] as being a possible light skinned black female, approximately 5'3", medium build, wearing a white and black striped sunhat, large sunglasses, button up blouse, black and white scarf, white latex gloves and dark bag, entered the bank through the front doors and approached her [REDACTED]. The robber handed [REDACTED] a hand-written robbery/demand note. [REDACTED] observed that the note demanded "all of the money, no dye or GPS tracking device". The note also ordered [REDACTED] to "not contact the police". [REDACTED] advised that the robber never spoke during the robbery. [REDACTED] gave the robber US Currency, including a GPS tracking device, that the robber took and then fled the bank on foot. The robber was observed getting into the passenger side of the getaway vehicle, described as a dark colored sedan, indicating there was a second suspect who was driving.

Members of the FBI/Safe Streets Task Force responded to the bank to conduct the initial scene investigation. Photographs of the robber from the video surveillance footage were emailed to SSTF members, to include your affiant. Photographs of the getaway vehicle, that the video surveillance footage showed the robber running to and entering, were also received. The robber was pictured as being a possible black female, wearing a dark sun hat, large sunglasses, a black and white scarf, dark button up blouse, white latex gloves and carrying a dark bag. The getaway vehicle was pictured as being a black or dark colored sedan, possible Honda Civic, that had parked in the lot east of the bank, backed into a spot. The total loss to the bank was \$2,213.00 in US Currency, including the GPS tracking device. The discarded GPS tracking device was located and recovered in the westbound lanes of Hampden Ave, over I-25. Your affiant observed that the robber appeared similar in height, size, nose and lips, as the robber in robbery #1. Other similarities were that the robber used a head

AFFIDAVIT AND APPLICATION FOR ARREST WARRANT

covering (hat) and wore glasses; wore white latex gloves; never spoke during the robbery; the robbery note indicated "no dye or GPS tracking device" and the getaway vehicle parked in close proximity to the bank, backed into a parking space. Below is a photograph of the unknown robber and getaway vehicle:

04/01/2019 Key Bank robber suspect and getaway vehicle.

On 04/02/2019, your affiant responded to the area of the Key Bank, located at 6405 E. Hampden Ave, in Denver, Colorado, to conduct a canvas for additional video surveillance in the immediate area of the bank, that possibly would have footage of the getaway vehicle. Your affiant made contact with [REDACTED] located east of the Key Bank, at the northwest corner of Monaco Pkwy and Hampden Ave. Your affiant reviewed the outside video surveillance footage from the Conoco, at the time the robber fled to the vehicle and observed the getaway vehicle travel eastbound through the parking lot to southbound Monaco and then to westbound Hampden Ave where it travels out of sight. The video surveillance footage was of poor quality, but the getaway vehicle appeared to be a dark in color older model sedan.

On 04/05/2019, at approximately 17:00 hrs, Denver Police Department Officer Ballinger responded to a bank robbery that had just occurred at the Key Bank, located at 3410 E. 1st Ave, in Denver, Colorado. Upon arrival, Officer Ballinger met with victim [REDACTED], who advised the following: The suspect, herein referred to as the robber, described by [REDACTED] as being an unknown race female, approximately 5'3", medium build, wearing white latex gloves, sunglasses, white face and head covering, brown hat and white t-shirt, approached his [REDACTED] and presented a robbery/demand note. [REDACTED] observed that the note was demanding money and to not give the robber any dye packs. [REDACTED] began gathering US Currency from his teller drawer, but while doing so, the robber pulled out a black semi-automatic handgun from her purse in a possible attempt to obtain even more money. [REDACTED] advised that the robber never spoke during the robbery. [REDACTED] gave the robber the money, after which the robber fled the bank and disappeared out of his sight.

Members of the FBI/Safe Streets Task Force responded to the bank to conduct the initial scene investigation. Photographs of the robber and getaway vehicle used were emailed to SSTF members to include your affiant. The robber was pictured as being a black female, wearing a dark sun hat, sun

AFFIDAVIT AND APPLICATION FOR ARREST WARRANT

glasses, white scarf over her head and shoulders, white long-sleeved shirt, latex gloves, multi colored spandex pants, white shoes and carrying a dark bag. The getaway vehicle was pictured backed in to the southernmost parking spot in the south side parking lot. The vehicle appeared to be a dark colored, possibly green, 2 Door Honda Civic, possible 1998-2000 model, occupied by an unknown getaway driver. The total loss to the bank was \$1,859.00 in US Currency. Your affiant observed that the robber appeared similar in height, size, nose and lips, as the robber in robberies #1 and #2. Other similarities were that the robber used a head covering (hat) and wore glasses; wore white latex gloves; never spoke during the robbery; the robbery note indicated "no dye pack" and the getaway vehicle parked in close proximity to the bank, backed into a parking space. Below is a photograph of the unknown robber and getaway vehicle:

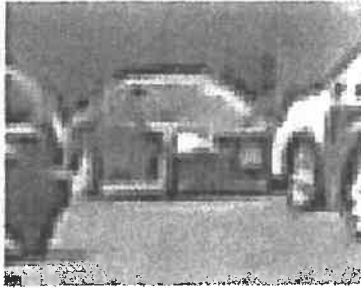

04/05/2019 Key Bank robbery suspect and getaway vehicle

On 04/09/2019, at approximately 15:00hrs, Denver Police Officer Bergner responded to a bank robbery that had just occurred at the First Bank located at 8901 E. Hampden Ave, in Denver, Colorado. Upon arrival, Officer Bergner interviewed victim [REDACTED], who advised the following: The suspect, herein referred to as the robber, described by [REDACTED] as being a black female, approximately 5'4' in height, medium build, wearing large black sunglasses, two (2) gray hats, one on top of the other, blue long-sleeved flannel shirt, tan pants, black shoes and white latex gloves, entered the bank and started walking towards one of the teller stations. [REDACTED] advised that she felt the robber was going to commit a robbery, so she walked over to the teller station and addressed the robber. [REDACTED] advised that the robber then unfolded a note that indicated "This is a robbery" and that it specified a specific amount, possibly \$100,000.00 [REDACTED] attempted to grab the note, but the robber held on to it. [REDACTED] then told the robber that she would give her what they had in the teller drawer, giving her most of the cash from the top teller drawer. [REDACTED] placed the money on the counter for the robber to take. The robber grabbed the money and quickly walked out of the bank. [REDACTED] advised that the robber never spoke during the robbery.

Members of the FBI/Safe Streets Task Force responded to the bank to conduct the initial scene investigation. Photographs of the robber and getaway vehicle used were emailed to SSTF members including your affiant. The robber was pictured as being a black female wearing two (2) ball caps, one on top of the other, dark large sunglasses, blue button up flannel shirt, brown pants, black shoes, latex gloves and carrying a dark bag. The getaway vehicle was pictured as being a dark colored 2 Door

AFFIDAVIT AND APPLICATION FOR ARREST WARRANT

Honda Civic, possible 1998-2000 model. The total loss to the bank was \$851.00 in US Currency. Your affiant observed that the robber appeared similar in height, size, nose and lips, as the robber in robberies #1, #2 and #3. Other similarities were that the robber used a head covering (hats) and wore glasses; wore white latex gloves; never spoke during the robbery; the robbery note indicated "demanded cash" and the getaway vehicle was described as a dark colored 2 Door Honda Civic. Below is a photograph of the unknown robber and getaway vehicle:

04/09/2019 First (1st Bank) robber and getaway vehicle

On 04/09/2019, at approximately 15:09hrs, Denver Police Officer Knapp responded to a report of an attempt bank robbery that had just occurred at the Liberty Savings Bank located at 6460 E. Yale Ave, in Denver, Colorado. Upon arrival, Officer Knapp interviewed bank employee [REDACTED] who advised the following: The suspect, herein referred to as the robber, described by [REDACTED] as being a possible Hispanic male, approximately 5'8" in height, slim petite build, wearing a long sleeved blue plaid shirt, brown or dark work pants, white bandana and two (2) ball caps on "his" head, large woman's sunglasses and carrying a black bag, entered the first set of entry doors to the bank, but was unable to open the second set of doors as they are controlled access doors. Based on the robber's attire and mannerisms, [REDACTED] felt that a robbery would have occurred if the robber had made entry, so she watched the robber walk away from the bank and enter the passenger side of a dark colored, late 1990's to early 2000's 2 Door Honda Civic. [REDACTED] observed that once the robber entered the vehicle, they appeared to take off some of their outer clothing, after which the vehicle slowly drove around the parking lot towards the ATM and drive thru area. [REDACTED] observed that the rear license plate appeared to have a "Y" in it. The vehicle then left the area and [REDACTED] called 911 to report the possible attempt robbery.

Members of the FBI/Safe Streets Task Force responded to the bank to conduct the initial scene investigation. Photographs of the robber and getaway vehicle used were emailed to SSTF members including your affiant. The robber was pictured as being a black female wearing two (2) ball caps, one on top of the other, dark large sunglasses, blue button up flannel shirt, brown pants, black shoes, latex gloves and carrying a dark bag. This was identical to the robbery suspect from the First (1st Bank) robbery and it appeared to be the same robber. The getaway vehicle was pictured as being a dark colored 2 Door Honda Civic, possible 1998-2000 model. Additional photographs of the vehicle were obtained from surrounding businesses that show that the vehicle was occupied twice, by two (2) occupants, as it entered the area prior to the attempt robbery and again as it fled the area after the attempt robbery. Your affiant observed that the robber appeared similar in height, size, nose and lips,

AFFIDAVIT AND APPLICATION FOR ARREST WARRANT

as the robber in robberies #1, #2, #3 and #4. Other similarities were that the robber used a head covering (hats) and wore glasses; wore white latex gloves; and the getaway vehicle parked in close proximity to the bank and was pictured as being a dark colored 1999-2000 2 Door Honda Civic. Below is a photograph of the attempt robber and getaway vehicle:

04/09/2019 Liberty Savings attempt robber and getaway vehicle/driver.

On 04/09/2019, at approximately 16:18hrs, Denver Police Officer Rider responded to a report of a bank robbery that had just occurred at the TCF Bank located at 18520 E. Green Valley Ranch Blvd, in Denver, Colorado. Upon arrival, Officer Rider interviewed victim [REDACTED] advised the following: The suspect, herein referred to as the robber, described as being a light skinned female wearing a black sweater, white latex gloves and large sunglasses, entered the bank and approached her [REDACTED]. The robber presented a robbery note indicating "Give me all of your 100's, 50's and 20's" [REDACTED] gave the robber money from her teller drawer, after which the robber flipped the note over, and [REDACTED] read "Give me all the money bitch". The robber then fled the bank. [REDACTED] advised that the robber never spoke during the robbery. The total loss to the bank was \$5,966.00 in US Currency.

Members of the FBI/Safe Streets Task Force, including your affiant, responded to the bank to conduct the initial scene investigation. Photographs of the robber were obtained. The robber was pictured as being a black female, wearing two (2) ball caps on her head, large black woman's sunglasses, a black "Champion" brand hooded sweat coat, white latex gloves and carrying a black bag. Your affiant observed that the robber appeared similar in height, size, nose and lips, as the robber in robberies #1 #2, #3, #4 and #5. Other similarities were that the robber used a head covering (hat) and wore glasses; wore white latex gloves; never spoke during the robbery; the robbery note indicated "Give me all of your 100's, 50's and 20's" Below is a photograph of the robber:

AFFIDAVIT AND APPLICATION FOR ARREST WARRANT

04/09/2019 TCF Bank robbery

On 04/10/2019, Detective Eric Denke conducted a search of active stolen Honda Civics using the active steal spreadsheet. The spreadsheet was filtered to include active Honda Civics that would match the description of the Honda used in the 04/09/2019 robberies. Two active black Civics were listed, which included a 2000 Honda Civic, Colorado plate 934YSM, VIN: 1HGEJ8241YL050032, which was reported stolen in Denver on 04/06/2019 under Denver Police Case number 2019-214370. It was reported stolen from [REDACTED] Tamarac St and was listed as having been taken between 16:00hrs on 04/04/2019 and 11:30hrs on 04/06/2019. It should be noted that the [REDACTED] Tamarac St theft location is approximately 1.4 miles from both the Key Bank robbed on 04/01/2019 and approximately 1.4 miles from the First Bank (1st Bank) that was robbed on 04/09/2019.

Detective Denke had previously reviewed video surveillance footage that was obtained from video surveillance cameras in the area of the Liberty Savings Bank at 6460 E. Yale Ave. This surveillance provided a view of both sides of the car as it entered and exited the parking lot, this showed the car had significant damage to the rear passenger side quarter panel directly behind the passenger side door.

A search of Law Enforcement databases showed that the license plate had been captured by License Plate Reader (LPR) in Aurora on 04/06/2019 prior to it being reported stolen. The photographs showed what appeared to be damage on the passenger side rear quarter panel, an indentation consistent with body damage. Additional images were obtained of LPR reads that confirmed the damage to the passenger quarter panel.

Contact was made with the owner of the Honda, [REDACTED] [REDACTED] indicated that he had last seen the car parked in his apartment complex on 04/04/2019 at approximately 16:00hrs, when he returned home from work. [REDACTED] noticed that the car missing on the morning of 04/06/2019 and contacted Denver Police to report it stolen. [REDACTED] confirmed the damage on the car and provided additional images of the damage. This damage was from a previous accident that [REDACTED] had been involved in sometime in 2017. This damage was consistent with the damage visible on the suspect car in the bank.

Additional LPR information showed that the car had been near the intersection of E. Iowa Ave and Sable Blvd on 04/09/2019 at approximately 00:02hrs. This is in close proximity to E. Mississippi Ave and Sable Blvd in Aurora, Colorado.

The suspect vehicle from the 04/05/2019 robbery appeared to be a green Honda Civic style car. Detective Denke obtained the previous active steal sheet that covered the time period of 03/27/2019 to

AFFIDAVIT AND APPLICATION FOR ARREST WARRANT

04/04/2019. A review of this document showed a green Honda Civic that was reported stolen in Denver on 04/03/2019 under Denver Police Case number 2019-206375. This vehicle was stolen from the area of 2445 S. Colorado Blvd after 04/02/2019 at 19:00hrs. A search of Law Enforcement databases showed that the license plate was captured by LPR in Aurora multiple times in the vicinity of Mississippi Ave and Sable Blvd. The last capture in Aurora was on 04/05/2019 at approximately 19:57hrs. This resulted in an attempt to stop the car in the area of E. 6th Ave and Sable Blvd by Aurora Police marked units. The car eluded and was not followed. This activity is consistent with the activity noted in LPR data from the black Honda Civic, 934YSM.

On 04/10/2019, your affiant reviewed all of the evidence and information in relation to the above five (5) bank robberies and one (1) attempt bank robbery and found the following similarities in each:

- In all six (6), the robber was pictured and described as being a dark skinned Hispanic or light skinned black female.
- In all six (6), the robber was described as being approximately 5'3" to 5'5" in height, slim to medium build.
- In the five (5) actual robberies, the robber presents the robbery/demand note but never speaks.
- In all six (6), the robber makes an effort to disguise her appearance by wearing a variety of disguises to include glasses, sunglasses, sun hats, baseball caps and scarfs.
- In all (6), the robber has worn white latex gloves.
- In all (6), the robber carries a shoulder bag, or purse, into the bank.
- In four (4) of the six (6) robberies where the getaway vehicle was observed and or photographed, the driver (second suspect) has backed the vehicle into a parking space either directly adjacent to the bank or in a spot close by.
- Two (2) different stolen motor vehicles, both being 1998-2000 Honda Civic sedans, were used during at least four (4) of the robberies.

Based on the above, your affiant feels that all six (6) robberies were committed by the same unknown female robber and that she is being driven to and from the robbery locations in stolen motor vehicles that are driven by a second unknown suspect.

On 04/18/2019, your affiant received a Metro Denver Crime Stoppers tip indicating that the "Glamour Bandits" name was Brianna Casias and that she is "18-19 years old" in age. Your affiant conducted multiple law enforcement database searches of "Brianna Casias", to included searches of the Denver Police Departments Versedex along with the Lumin law enforcement database. Your affiant found a Brianna Angelina Casias (04/24/2000), listed as being a dark-skinned Hispanic female, 5'0" to 5'2", 120lb to 125lb with black hair and brown eyes. Your affiant reviewed a Douglas County Sheriff's Office Mugshot of Brianna Casias (04/24/2000), to photographs of the unknown "Glamour Shots" bank robbery suspects and observed several similarities, including similar shaped noses, similar shaped lips, similar shaped eyes and similar shaped eyebrows. Your affiant observed that during the first robbery, that occurred on 03/22/2019, that the suspect was wearing a large wide choker on her neck, in the same area that Brianna Casias has a neck tattoo. Below is a known 2018 Mugshot of Brianna Casias (04/24/2000) compared with photographs of the unknown bank robbery suspect:

AFFIDAVIT AND APPLICATION FOR ARREST WARRANT

Your affiant conducted DPD, CCIC and NCIC computer searches of Brianna Casias and found that she has previous arrests for the following offenses: 2nd Degree Assault (Firefighter or paramedic), 3rd Degree Assault, Obstructing a Peace Officer, Resisting Arrest and Theft.

On 04/23/2019, your affiant received a second Metro Denver Crime Stoppers tip indicating that the "Glamour Shots Bandits" name was Brianna Casias and that she was turning 19 years old "tomorrow, 04/24/2019".

On 04/23/2019, your affiant contacted the Douglas County Sheriff's Department and requested that they email your affiant a copy of a 2018 Mugshot of Brianna Casias (04/24/2000) taken after a felony arrest.

On 04/24/2019, your affiant emailed the 2018 Douglas County Sheriff's Department Mugshot of Brianna Casias to the Denver Police Departments Identification Bureau and requested that the photograph be placed into the Mugshot system. Once this was completed, your affiant utilized the Mugshot system to generate a six (6) photograph/array containing five (5) filler photographs and the photograph of Brianna Casias, that was placed into the #4 position.

On 04/24/2019, CBI Detective Carl Tolman, currently assigned to the FBI/Safe Streets Task Force, met with the Vectra Bank victim [REDACTED] to show him a photographic lineup. Detective Tolman met with [REDACTED] at the 3600 N. Quebec Street Vectra bank location. Detective Tolman read [REDACTED] the Photographic Lineup Admonition Form at which time [REDACTED] indicated that he understood the form verbally and by signing the form. [REDACTED] was then shown the six (6) photographs, individually, one at a time. Upon viewing photograph #4, of Brianna Casias (04/24/2000), [REDACTED] positively identified Casias as being the person who had robbed the bank and indicated on the admonition form "#4 Looks like her, especially the eyes".

Based on the above information and evidence, to include positive identification of Brianna Casias by a victim [REDACTED], along with your affiants belief that the robber in all six (6) incidents is one and the same, your affiant submits that probable cause exists to charge, therefore your affiant respectfully requests that an arrest warrant be issued for:

**Brianna Casias, (04/24/2000), Hispanic female, 5'2", 125lbs, black hair, brown eyes
For: Aggravated Robbery (5 counts), 18-4-302, Class 3 Felony
Attempt (Aggravated Robbery) (1 count), 18-2-101, Class 4 Felony**
