I am a police officer for the City and County of Denver, Colorado, and have knowledge regarding the arrest/incident of the above named party for the below listed offense, which offense occurred on or about the date of 01/30/2021 at 8:42 am at or near the location of 000 BLK 14TH AVE in the City and County of Denver, State of Colorado.

VIOLATIONS(S)	DESCRIPTION
18-3-202	INV HOLD-FIRST DEGREE ASSLT ON PEACE OFFICER[026487]

The probable cause of the arrest of the above-named individual is as follows:

[On 01/30/2021 at about 0836 hours, officers were called to the Burger King at 1010 W Colfax Ave on the report of a disturbance between the suspect, Tyler Hazell (11/20/97), and staff at the Burger King. Hazell fled before officers arrived driving his 2003 Honda Pilot (██████████) East bound from that location on W. Colfax Avenue. Hazell stopped at a traffic light on W. Colfax Ave / N Delaware Street then reversed the wrong way West bound in the East bound for two blocks until he is beside a black Honda Civic (██████████). The car is occupied by ██████████ and ██████████. Hazell rolled down his window and said, "Race me or die." The women were terrified and made a U-Turn on Colfax. Hazell followed and rammed the back of the car. Hazell continued to chase the car ramming the passenger side several times. Hazell fled the scene and the women drove westbound while calling 911. They were directed to the District 1 station for a report. Hazell continued East bound arriving in the 000 Blk of W. 14th Avenue. Hazell intentionally leaves the roadway and attempts to run down two men who were walking on the sidewalk. They scatter as the car approaches. Hazell chases one of the men with his car. That man was ██████████. Hazell runs ██████████ down as he attempts to flee fracturing ██████████. Hazell then gets back onto W. 14th Avenue and drives the wrong way down W. 14th Avenue where he stops to give a transient man a high five then gets out to take a photo. Hazell gets back into the car and continues East bound. A minute later Hazell arrives in the 1400 Blk of N Delaware street. OFC ██████████ (██████████) is driving a marked Denver police car (T4485; CO 908MQG) with a prisoner in the back, ██████████. Hazell intentionally rams the side of OFC ██████████ patrol car injuring both OFC ██████████ and ██████████. Hazell continues Southbound on Delaware for about 75 feet where he intentionally rams another Denver Patrol car (T8131; CO CTH686) that was occupied by OFC ██████████ (██████████) who was also injured. Both patrol cars were disabled. Hazell flees West bound from that location and returns to the parking lot behind the Burger King where the incident began (1010 W. Colfax Avenue). In the parking lot, Hazell intentionally rams a parked truck (██████████) which was unoccupied. An officer at the Burger King investigating the original disturbance is notified and attempted to stop Hazell. Hazell ignores the officers emergency lights and eludes the officer fleeing the scene in his car. Hazell continues his rampage into other jurisdictions and is eventually contacted by officers from multiple jurisdictions in the 7800 Blk of Quebec way when his car stops running due to previous damage. Hazell is non compliant with officers and refuses to exit his car. Officers eventually get Hazell out of the car and take him into custody. Hazell is transported by ambulance to Denver Health Medical Center where custody is turned over to Denver Sherriff's deputies. Hazell was placed on a hold for investigation of 1st Degree assault (multiple counts) and an outstanding Felony warrant. 1010 West Colfax Avenue, W Colfax Ave / N. Delaware street, the 000 Blk of W. 14th Avenue, and the 1400 Blk of N Delaware Street were then and are now in the City and County of Denver, State of Colorado. Hazell was the only person in his car when contacted by officers. Hazell matched the description of the suspect driver from multiple witnesses on several scenes. His car was bearing the license plate described by witnesses as the suspect vehicle license plate. Hazell was identified by his Colorado Driver's license.]
