

**AFFIDAVIT AND APPLICATION FOR ARREST WARRANT
AND THE ARREST WARRANT FOR THE PERSON(S) OF:**

Deontre Teddy HOLLIE dob: 10/13/2005
4550 North Cathay Court
Denver, Colorado 80249
B/M 6'3", 215lbs, BRO, BRO
SSN: [REDACTED]
CO DL #: [REDACTED]

CRS 18-3-102: Murder in the First Degree, a Class 1 Felony

I, Homicide Unit, Detective Gavin R. Whitman #14022, state under oath that the facts known to the Affiant which establish probable cause to believe that a criminal offense was committed, and that the offense was committed by the above-named person(s), are the following:

On **December 23, 2022**, at approximately **6:42 p.m.**, Denver 911 received a call to 4699 N Kittredge St on a party laying in a parking lot suffering from a gunshot wound to their head. The victim, [REDACTED] [REDACTED] dob: [REDACTED], was transported to Children's hospital and is in critical condition. Denver Police Firearms Assault Shoot Team (FAST) responded to the scene and hospital. Due to the victim's condition, he was unable to be interviewed.

On **December 24, 2022**, at approximately **6:50 a.m.**, the Denver Police Missing and Exploited Persons Unit was notified of a missing juvenile female. This female, Tayanna MANUEL 2/05/2006, was stated to be the [REDACTED] of [REDACTED]. The persons reporting Tayanna missing was [REDACTED], [REDACTED] [REDACTED] dob: [REDACTED] and [REDACTED], [REDACTED] dob: [REDACTED]. They stated that Tayanna was last known to be with [REDACTED]. [REDACTED] stated that Tayanna's phone had been shut off since the shooting on December 23rd.

At approximately **8:56 a.m.**, Denver Police District 5 was notified that a potential suspect vehicle involved in the shooting was a gray Honda CR-V bearing Colorado license plate number "[REDACTED]". The caller, [REDACTED], stated she located the vehicle at 48th and Ceylon St in Denver and there was blood inside of the car. This vehicle was found to be a reported stolen motor vehicle out of Denver from November of 2022. When officers arrived, the vehicle was no longer on scene. [REDACTED] was contacted at the scene and told the officers a man drove off in the car. [REDACTED] stated to officers that she believed this person may have been "[REDACTED]", who Tayanna and [REDACTED] were with before [REDACTED] was found shot. However, [REDACTED] did not personally know "[REDACTED]". Officers located suspected blood where the vehicle was parked. A backpack and vehicle floor mats with suspected blood on them were concealed a very short distance away between two fence lines. The scene was documented with the crime lab. Denver Crime Lab personnel documented footwear impressions in the snow just in front of where the hidden items believed to be from the vehicle were located. These footwear impressions were later viewed by Forensic Scientist II Courtney MOHR and deemed suitable for comparison to

other outsoles. A search was conducted, and the footwear impressions were found to have corresponding class characteristics with a Nike Air Uptempo '96 basketball shoe.

On **December 25, 2022**, at approximately **9:19 p.m.**, Detective CATLETT interviewed [REDACTED] [REDACTED] at Children's Hospital in room [REDACTED]. [REDACTED] was unable to speak due to his injuries, but he could communicate by writing on a small whiteboard or nodding his head. [REDACTED] related he does not know who shot him. [REDACTED] related he was with [REDACTED] Tayanna and two other people. [REDACTED] did not know the other two people he was with and wrote, "One tall one small." [REDACTED] does not know the location of where he was shot or recall if he was at a residence, in a vehicle or outside. [REDACTED] did have any recollection of any events on Friday December 23, 2022.

[REDACTED], [REDACTED] dob: [REDACTED], stated that prior to the shooting [REDACTED] was with a party named Deontre HOLLIE 10/13/2005 and another person named, "[REDACTED]."

FAST detectives entered an Attempt to Locate for Deontre. While researching Deontre Detectives found that he was contacted on December 25, 2022 around 6:00 a.m. as a victim of a shooting into an occupied structure at 4550 Cathay St. This location is believed to be Deontre's residence and he was observed at the residence when officers arrived to investigate the shots fired. This house is approximately 0.3 miles from where the Honda CR-V was seen on the morning of December 24th. (Pictured Below)

On **December 26, 2022**, at approximately **6:17 a.m.** Denver 911 received a call of a deceased female that was located behind a dumpster at 4927 North Sedalia Street in Denver. Officers responded, located the female victim suffering from a gunshot wound to the head, and secured the scene. At approximately **7:05 a.m.** Your Affiant was notified by Homicide Sergeant T. LOPEZ and assigned to the homicide as primary investigator. Your Affiant went to this location and observed the victim to be

a juvenile black female. She had a gunshot wound to her head and appeared to have been dragged behind the dumpster. She was clothed but did not have any personal belongings with her. Based on photographs and descriptions, the deceased female victim was believed to be Tayanna MANUEL dob: 2/5/2006. Her identification was later confirmed by the Denver Office of the Medical Examiner.

At approximately **9:57 a.m.** Your Affiant conducted an interview with Tayanna's [REDACTED], [REDACTED] [REDACTED] dob: [REDACTED], and [REDACTED], [REDACTED] dob: [REDACTED]. [REDACTED] stated that she had last seen Tayanna at approximately 12:30 a.m. on December 23, 2022, when she dropped her off at Jayden's house. [REDACTED] showed Your Affiant Tayanna's last known locations on the Life360 Application. This application allows users to share historic and live location information with each other. On December 23, 2022, at 6:33 p.m. Tayanna's device was in the same area that [REDACTED] was found shot. [REDACTED] was found at 6:42 p.m. [REDACTED] stated that Tayanna's phone number was [REDACTED] and the email she used was [REDACTED]. She did not know where Tayanna's phone was.

Follow-up Interviews with [REDACTED]:

On **December 26, 2022**, at approximately **10:28 a.m.**, Detective CATLETT conducted an additional interview with [REDACTED] at Children's Hospital in room [REDACTED]. [REDACTED] was still unable to speak due to his injuries, but he could communicate by writing on a small whiteboard and nodding his head. [REDACTED] related he did not know who shot him and wrote it was, "2 people." [REDACTED] did not know who the two people were and did not recall where he was at the time of shooting. [REDACTED] did not remember what he was doing on Friday December 23, but knew he was with [REDACTED] Tayanna. [REDACTED] related the "2 men" are the ones who shot him, and he did not know their names. [REDACTED] described the two people as having dark colored hair and being similar in age to him. [REDACTED] related he believes he has met the two people before but was unsure. [REDACTED] did not recall being shot or where he was at the time of the shooting. [REDACTED] wrote, "Find Tayanna."

Detective CATLETT then advised [REDACTED] that Tayanna was found deceased. [REDACTED] then immediately wrote the names "Trey" and [REDACTED]." Detective CATLETT asked [REDACTED] if they shot her and he replied, "Had to." [REDACTED] is unsure if "Trey" or [REDACTED]" are the ones who shot him and still does not recall being shot. Detective CATLETT asked [REDACTED] if "Trey" or [REDACTED]" were friends of his and he replied, "Used to be." [REDACTED] related he does not know where "Trey" or [REDACTED]" live but wrote, "GVR." [REDACTED] was unsure how long he has been friends with "Trey" and [REDACTED]" but believes it was longer than six months. [REDACTED] related there were no other people with him other than the four he stated to Detective CATLETT. [REDACTED] wrote he had an "Argument with Trey," but could not recall why. [REDACTED] wrote, "[REDACTED] included himself." [REDACTED] related both "Trey" and [REDACTED]" own handguns. [REDACTED] related "[REDACTED]" has a black handgun and "Trey" has a tan handgun. [REDACTED] related "[REDACTED]" lives near the "All In One" store.

At approximately **4:54 p.m.**, Detective CATLETT conducted another interview with [REDACTED] at Children's Hospital in room [REDACTED]. Detective CATLETT showed three photographs individually to [REDACTED]. The first photograph shown was a single DPS photo of [REDACTED] dob: [REDACTED] with no identifying information present. [REDACTED] did not recognize the photo shown to him. The second photograph shown was a single DMV photo of Deontre HOLLIE dob: 10/13/2006 with no identify information present. [REDACTED] identified the photo as "Trey." The third photograph shown was a single

DMV photo of [REDACTED] dob: [REDACTED] with no identifying information present. [REDACTED] identified the photo as "[REDACTED]" and related he is not involved in this case.

At approximately **8:09 p.m.** The Honorable Judge ZOBEL signed a search warrant and court order to install a pen register trap and trace on the phone attributed to Tayanna, [REDACTED]. This order included approximately 30 days of data associated to the phone number. The warrant was served to Verizon Wireless via email.

Interview:

On **December 26, 2022**, at approximately **6:50 p.m.** [REDACTED] contacted Your Affiant and reported that [REDACTED] had information that she was willing to share and could be contacted at [REDACTED]. At **6:53 p.m.** Your Affiant called [REDACTED] dob: [REDACTED]. She stated that the SUV that the police were looking for is Deontre's car. She knew this because Deontre had previously come to her house driving it. She said that on December 23, 2022, [REDACTED]

Interview:

On **December 26, 2022**, at approximately **2:32 p.m.** Your Affiant spoke via phone with [REDACTED]. She said that she had heard from a friend named [REDACTED] said that Deontre was talking to a girl named [REDACTED] about the shooting. Your Affiant contacted [REDACTED] at phone number [REDACTED]. She stated that She knew [REDACTED] and provided her Facebook account found at URL [REDACTED]. A snapchat link on this account displayed the name [REDACTED]. Your Affiant searched Denver Police records and located an [REDACTED] dob: [REDACTED], hereinafter referred to as [REDACTED], who lived at [REDACTED] in Denver. At approximately **9:15 p.m.** Your Affiant went to [REDACTED] with uniformed District 5 Officers. [REDACTED] answered the door. Your Affiant briefly spoke with [REDACTED], [REDACTED] dob: [REDACTED]. Your Affiant and the accompanying Officers were invited in, and Your Affiant conducted an interview with [REDACTED]. She stated that she knows Deontre from school, she is in a small friend group with him, and they have dated. She stated that she [REDACTED]

[REDACTED] this phone call. She showed Your Affiant the messenger thread with an account named "[REDACTED]" found at URL: [REDACTED]. She said that this was Deontre's account. She was shown a known photograph of Deontre HOLLIE dob: 10/13/2005 from his DMV record. She stated that she did not know who that person was [REDACTED] provided her phone number [REDACTED]. [REDACTED] later notified Your Affiant via text message that the photo she was shown "was him," but she did not know anything else about the situation.

Interview:

On **December 27, 2022**, at approximately **3:50 p.m.** Your Affiant went to Children's Hospital to visit [REDACTED]. Multiple members of [REDACTED] family were present in the hospital room. [REDACTED], [REDACTED], was present and shared messages that she exchanged with [REDACTED]. She allowed Your Affiant to view this message thread. In the thread [REDACTED] exchanges messages with Facebook account "[REDACTED]" found at URL: [REDACTED]. There were multiple photos on this publicly viewable profile. Your Affiant compared these photos to a known photograph of [REDACTED] dob: [REDACTED] obtained from his Denver Public Schools record and saw that they were the same person. In this message thread [REDACTED]

[REDACTED] The conflict was over a firearm and a vehicle. [REDACTED] allowed your affiant to capture screenshots of this conversation (one of which is pictured below). She also agreed to come to DPD headquarters for a formal interview in the following days.

On **December 27, 2022**, at **5:47 p.m.** Your Affiant began receiving emails every 15 minutes with the location of Tayanna's phone. To date, this phone has not returned any location information, indicating that it is probably powered off. Shortly after, Your Affiant received the historical records associated to this phone number. These records included Verizon's Real Time Tool (RTT) data. Your Affiant knows from training and experience utilizing RTT data in investigations that RTT records are generated mainly from passive use of a device, wherein the device and network "communicate" within one another through the network service, as well as active events utilizing the RTT technology. RTT provides location estimate information that is typically more abundant than standard Call Detail

Record (CDR) activity and more accurate in placing the location. Your Affiant saw that the device attributed to Tayanna was in areas consistent with her initial Life360 information provided by [REDACTED]. This included the area of [REDACTED] house, the “gun range”, [REDACTED] house, [REDACTED] house, and then the scene of the shooting before the device appears to have been turned off.

Interview:

On **December 28, 2022**, at approximately **9:05 a.m.** Detectives WHITMAN and CATLETT went to [REDACTED] to locate [REDACTED] dob: [REDACTED]. His [REDACTED] [REDACTED] dob: [REDACTED], answered the door. [REDACTED] then came to the front door. He did not want to be taken to a police station for an interview, so Your Affiant spoke with him at the front of the house. He said that on the December 23rd he was communicating with [REDACTED] via Facebook messenger. At approximately 6:15 p.m. [REDACTED] came to his house to buy some marijuana. [REDACTED] said that he was playing video games when [REDACTED] arrived. [REDACTED] said that [REDACTED] was waiting in the car, so he left shortly after. [REDACTED] did not see the car [REDACTED] arrived in or anyone else that [REDACTED] was with. [REDACTED] insisted that he did not know anything else about what happened to [REDACTED] and [REDACTED]. Your Affiant spoke with [REDACTED] who confirmed that [REDACTED] was at the house on the evening of December 23rd and that he let a friend of [REDACTED] inside.

On **December 29, 2022**, at approximately **9:30 a.m.** Your Affiant viewed video surveillance form 4699 North Kittredge Street that was provided by [REDACTED]. The video was recorded from the southernmost gate and faced west. The video shows that, at time stamp December 23, 2022, at 18:37:05, a vehicle bearing many similar characteristics to a 2012 Honda CR-V drives out of the complex (Pictured Below). This is just before the first 911 call is made.

On **December 29, 2022**, at approximately **2:20 p.m.**, Denver Police District 1 Officer VESSA #19027 and GAMBONE #16019 located the Honda CR-V bearing Colorado plate [REDACTED]” in the parking lot of Addenbrook Park at 600 South Kipling Street in Lakewood Colorado. The vehicle was unoccupied and covered in snow from the previous night’s snowfall. The vehicle was towed to the Denver Crime Lab where it was secured in a vehicle bay.

Interview

On **December 29, 2022**, after recovering the Silver Honda CR-V from nearby Addenbrook Park, Detective CATLETT went with officers to [REDACTED]. This address was associated via police records to [REDACTED] dob: [REDACTED]. [REDACTED] and Deontre were associated via Aurora Police Records located in the Lumen Database. At this address Detective CATLETT contacted [REDACTED] dob: [REDACTED]. She brought [REDACTED] to the door. They agreed to come to DPD [REDACTED] for an interview. At **4:42 p.m.** Your Affiant interviewed [REDACTED] with [REDACTED]. According to [REDACTED] and [REDACTED], Deontre came to their house on December 24th, 2022, to see [REDACTED]. Deontre said that he took the bus to their house. He did not talk about anything significant with anyone at the home. He was driven home by [REDACTED] back to Green Valley Ranch. [REDACTED] said that she contacts Deontre on his cell phone at number [REDACTED]. [REDACTED] maintained that he did not know anything about the homicide that detectives were investigating. [REDACTED] said that he received a text message from Deontre as recently as [REDACTED].

On **December 29, 2022**, at approximately **7:30 p.m.** Your Affiant and Crime Lab personnel executed a search warrant on the suspect vehicle that was secured at the Denver Crime Lab. During processing of the vehicle two 9mm cartridge casings were located inside the vehicle and two more located under the front wiper blades. Your Affiant observed a significant amount of blood in the vehicle, especially on and around the front passenger's seat. Blood spatter was seen on parts of the passenger's side dash and front passenger's door. A bullet defect was documented on the inside of the passenger door under the window, and a fired bullet was located inside the passenger door panel. The blood spatter, cartridge casings, and bullet defect were consistent with at least one victim being shot inside the car.

Interview

On **December 29, 2022**, at approximately **3:27 p.m.** Your Affiant was notified by District 5 Officer MONTANEZ that he had been approached by [REDACTED] dob: [REDACTED]. She had previously been interviewed at DPD Headquarters regarding [REDACTED] dob: [REDACTED]. She had stated that [REDACTED] was at her house when the shooting was reported to have occurred. On this date she approached Officer MONTANEZ and said that [REDACTED] wanted to come to police headquarters to talk with detectives. [REDACTED] and [REDACTED] requested transport to DPD Headquarters. At approximately **5:11 p.m.** Your Affiant interviewed [REDACTED] with [REDACTED]. [REDACTED] said that on December 23, 2022, he went to an outdoor field to shoot guns with [REDACTED], Tayanna, and friends [REDACTED] and [REDACTED]. They went to shoot two guns that [REDACTED] had, an all-brown Glock 19x and a brown and black Glock 19x. They all drove in the Honda CR-V. After shooting guns they went back to [REDACTED] residence at [REDACTED]. A short time later, [REDACTED] and Tayanna left the house by themselves in the Honda CR-V. [REDACTED] said that he stayed at the house. According to [REDACTED], she saw the Honda CR-V return to the house being driven alone by Deontre HOLLIE.

[REDACTED] said that his Instagram account is "[REDACTED]" and his Facebook Messenger account is "[REDACTED]". He said that Deontre's Facebook account is [REDACTED] his Instagram is [REDACTED] and his Snapchat is "[REDACTED]". [REDACTED] said that he did not have a phone number. At the time of his interview [REDACTED] said that he had left his phone at home because it had died.

On **December 29, 2022**, Your Affiant authored a search warrant and court order to install a pen register trap and trace on the Facebook account attributed to Deontre HOLLIE. This affidavit was reviewed, and search warrant was signed by the Honorable Judge ZOBEL on December 29th, 2022. It was then served to Meta Inc. via their law enforcement portal.

On **December 30, 2022**, at approximately **1:15 p.m.** Your Affiant conducted research into the known phone number attributed to Deontre HOLLIE, [REDACTED]. According to the Zetx database this phone number is a wireless number registered to [REDACTED] via Metro PCS. [REDACTED] is Deontre HOLLIE's [REDACTED].

[REDACTED] Interview:

On **January 3, 2023**, at approximately **9:52 a.m.** Detective WHITMAN interviewed [REDACTED] of [REDACTED], [REDACTED] dob: [REDACTED] hereinafter referred to as [REDACTED], at DPD Headquarters. She was accompanied by [REDACTED], [REDACTED]. [REDACTED] stated that she was at [REDACTED] through the day on the 23rd of December. She said that [REDACTED], [REDACTED], Tayanna, [REDACTED], and [REDACTED] went to shoot guns. They then returned. [REDACTED] and Tayanna left in the Grey Honda CR-V. At approximately 6:58 p.m. [REDACTED] arrived to pick [REDACTED] up. [REDACTED] went outside and saw the Grey Honda CR-V parked in the driveway. She said that "Tre", later identified via a known photograph as Deontre HOLLIE dob: 10/13/2005, was sitting in the driver's seat of the car alone. She described Deontre as being wide eyed and acting strange. She said that she asked Deontre if he was okay. He said that he was. She then got into [REDACTED] car, and they drove away. [REDACTED] confirmed that [REDACTED] stayed at the house when [REDACTED] and Tayanna left. [REDACTED] confirmed that Deontre had not been at [REDACTED] house that day.

On **January 3rd, 2023**, at approximately **6:20 p.m.**, Detective CATLETT and Detective Derrick KEETON 13019, went to [REDACTED], Aurora, Colorado to conduct a neighborhood survey and locate possible video surveillance in the neighborhood. This is the known address for [REDACTED] dob: [REDACTED] and [REDACTED] dob: [REDACTED]. While conducting the neighborhood survey [REDACTED] approached Detectives who related her residence does not have video surveillance. As Detectives were leaving, Detective CATLETT observed a small black object with a blue blinking light, consistent with a small portable video camera, in the second story window of [REDACTED] residence at [REDACTED]. Detective CATLETT attempted to capture to photograph of the object in the window, but someone moved the object from the windowsill, and it was no longer visible.

Cell Phone Records

On **January 3rd, 2023**, Your Affiant authored a search warrant affidavit for the call detail records of the phone number attributed to Deontre HOLLIE, (720) 905-7649. This affidavit was reviewed, and the warrant was signed by the Honorable Judge BURD. It was served to T-Mobile electronically.

On **January 5th, 2022**, Your Affiant received returns of both the Facebook records and the T-Mobile records attributed to Deontre HOLLIE. The T-Mobile return included Timing Advance (TA) Records, as requested in the court order. Your Affiant knows from training and experience working with T-

Mobile records that Timing Advance data provides location estimates that are more specific than the cellular site/tower information associated with active communication captured in CDRs. The passively generated events of Timing Advance are generated by the device and the network “communicating” with one another continuously. As a result, it is not uncommon to have as many or more passive events from a Timing Advance dataset as there are active events in CDRs.

Your Affiant analyzed the T-Mobile TA data and Facebook data attributed to Deontre along with the Verizon RTT data of the phone attributed to Tayanna from December 23rd and 24th, 2022 and noted the following;

- On December 23, 2022, from approximately 3:20 p.m. to 3:34 p.m. the device attributed to Deontre HOLLIE is in the area of [REDACTED] house, [REDACTED] in Aurora Colorado.
- At approximately 4:05 p.m. the device attributed to Deontre HOLLIE and the device attributed to Tayanna MANUEL are both in the area of [REDACTED] house, [REDACTED] in Denver Colorado.
- At approximately 4:20 p.m. both devices then travel at approximately the same time to the area of the outdoor “gun range” south of East Jewell Avenue and East Yale Avenue in Aurora Colorado.
- From approximately 4:36 p.m. to 5:15 p.m. both devices stay in the area of the gun range for approximately the same amount of time.
- Both devices then leave the area of the gun range along approximately the same route and go to the area of [REDACTED] house, arriving at approximately 5:45 p.m.
- At approximately 6:06 p.m. both devices leave the area of [REDACTED] house and travel west at approximately the same time.
- From approximately 6:14 p.m. to 6:28 p.m. both devices are in the area of [REDACTED] house, [REDACTED] in Denver. Both devices leave the area southbound.
- At approximately 6:33 p.m. both devices are in the area of 4699 North Kittredge Street.
- At approximately 6:39 p.m. Tayanna’s device disconnects from the network.
- At approximately 6:41 p.m. Deontre’s device begins to move north and then east of the Kittredge address.
- Throughout the above listed time, Your Affiant was able to determine that the person in possession of the device belonging to Deontre Hollie was accessing data, making or receiving phone calls, and/or sending and receiveing SMS text messages.

At approximately 6:42 p.m. [REDACTED] is found with a gunshot wound to the head in the parking lot of 4699 North Kittredge Street in Denver.

- At approximately 6:44 p.m. Deontre's device is in the area of 4927 Salida Street, where Tayanna's body is found. A Honda CR-V is seen on surveillance camera from multiple angles entering the area driving northbound on Salida Street at the same time (pictured below).

- At approximately 6:53 p.m. Deontre's device is further north and east from where Tayanna's body was found. Just before this, a Honda CR-V is seen on video driving eastbound on North Salida Street then south on North Telluride Street away from the area where Tayanna's body was found (pictured below). The vehicle then turns east on GVR Boulevard.

- At 7:03 p.m. Deontre's device is in the area of [REDACTED] house. At approximately 7:09 p.m. the device leaves the area southbound.
- At approximately 7:15 p.m. the Deontre's device is in the area of his house, [REDACTED] [REDACTED] in Denver. The device remains in this area throughout the night.
- Deontre's device remains in the area of his house throughout the early morning.

At approximately 8:56 a.m. [REDACTED] calls 911 after locating the CR-V near East 46th Avenue and North Ceylon Street. Sometime later, while [REDACTED] is still on scene, a black male is observed entering the vehicle and leaving the area.

- At 8:55 a.m. Deontre attempts multiple times to contact [REDACTED] via Facebook Messenger.
- At approximately 9:26 a.m. Deontre's device leaves the area of his house southbound.

- At 9:29 a.m. [REDACTED] calls Deontre on Facebook Messenger. The call lasts 28 seconds.
- Deontre's device then travels westbound along the I-70 corridor. It continues southbound on I-25 and westbound along 6th Avenue.
- At approximately 9:53 a.m. Deontre's device is in the area of [REDACTED], where the Honda CR-V was found.
- At 10:04 a.m. Deontre's device moves a short distance south to the area of [REDACTED] house, [REDACTED] in Lakewood Colorado.
- At 10:38 a.m. Deontre calls [REDACTED] on Facebook Messenger. The call lasts 5 minutes and 8 seconds.
- At 10:41 a.m. Deontre sends [REDACTED] a message on Facebook Messenger saying [REDACTED].
- At approximately 11:25 a.m. Deontre's device leaves the area of [REDACTED] house. The device goes back westbound on 6th Avenue, southbound on I-25, northbound on I-225, and back to the area of Deontre's house arriving at approximately 12:15 p.m.

Summary

Based on the information obtained thus far in this investigation Your Affiant believes the following to be true.

The surviving victim, [REDACTED], last remembers being with [REDACTED] Tayanna, [REDACTED], and Deontre HOLLIE. Evidence inside the car is consistent with at least one of the victim's, Tayanna or [REDACTED], being shot inside the car.

[REDACTED] and [REDACTED] do not say that Deontre was at the house on December 23rd, 2022. [REDACTED] states that [REDACTED], Tayanna, and his friends [REDACTED] and [REDACTED] are the ones who went to the gun range. However, Deontre's device was also at the relatively remote location at the same time. Your Affiant believes that Deontre was with the group at the gun range. [REDACTED], [REDACTED], and [REDACTED] say that [REDACTED] and Tayanna left the house alone in the Honda CR-V. Cellphone records show that Deontre's device leaves [REDACTED] house and appears to travel with Tayanna's device to the area of [REDACTED] house. The two devices then remain together and end up in the area of the shooting on Kittredge Street. Tayanna's device is turned off before the CR-V is seen in the area that her body would eventually be found.

Your Affiant believes that Deontre is in the Honda CR-V with [REDACTED] and Tayanna when they go to the Kittredge Address where the shooting occurs. Your Affiant believes that both Tayanna and [REDACTED] are shot at this location. Deontre then drives Tayanna's body to 4927 North Salida Street and leaves

her behind the dumpster. She would remain there through Christmas Eve (12/24/2022) and Christmas Day (12/25/2022), until she was found on the morning of December 26th.

Your Affiant believes that [REDACTED], [REDACTED], and [REDACTED] had ample time to arrange a story that would fit the evidence they believed Your Affiant had at the time of their interviews [REDACTED] and [REDACTED] state that Deontre was at the house at [REDACTED] after the shooting is reported to have occurred. [REDACTED] confirms that he picked [REDACTED] up around 7:00 p.m., and that she briefly spoke with someone who was sitting in a car in the driveway of this address. Cell phone records confirm that Deontre's device was at this location after the shooting. Your Affiant believes that [REDACTED] and [REDACTED] only volunteered this information because [REDACTED] was present when [REDACTED] talked to Deontre. Nearly every other seemingly important detail that Your Affiant discovered in the phone records associated to Deontre HOLLIE's device (i.e. that he was at the gun range and that he left with [REDACTED] and Tayanna just before the murder) is left out of their statements. Your Affiant believes that Deontre's stop at [REDACTED] house after the shooting is for purposes more significant than just gathering his thoughts, and that evidence of relevance to the murder of Tayanna will be found at [REDACTED] in Aurora. This would include, but not be limited to, [REDACTED] and [REDACTED] phones, any and all devices capable of recording video, as well as firearms, ammunition, and related components.

Deontre would then return to his home at 4550 North Cathay Court in Denver, parking the vehicle only a short walk away from his house. Your Affiant believes that, upon returning home, Deontre would have to discard and clean a significant amount of Tayanna's blood from his clothing and skin. Your Affiant believes that trace evidence of this blood will be found at Deontre's house in addition to firearms, ammunition, and related components.

On the morning of December 24th, 2022, the suspect vehicle was documented a very short distance away from Deontre's house the day after the murder. The suspect vehicle was then located in Lakewood, at a park, only half a mile from Deontre's [REDACTED] house. According to [REDACTED] and [REDACTED], [REDACTED], Deontre came to their house on December 24th, 2022, to see [REDACTED]. While at this house, and immediately after he leaves the Honda CR-V in the park, he makes a lengthy phone call to [REDACTED]. He was then driven home by [REDACTED] back to Green Valley Ranch. Records for Deontre's device show that he had his phone with him when Your Affiant believes he drove the Honda CR-V to Lakewood and later returned to his home.

Based on these facts, Your Affiant is respectfully requesting a Sealed Arrest Warrant for Deontre Teddy HOLLIE dob: 10/13/2005, for CRS 18-3-102: Murder in the First Degree, a Class 1 Felony, so this investigation can continue and so that the witnesses mentioned in this warrant can be protected from any type of early reprisals.

I affirm this information to be true and correct
